Mat-Su Health Foundation-Wellness Grant: 1-1-14

Amount: \$15,000

\$8,000 will be used for operating cost. \$7,000 for a facilitator approved by MSHF staff, to work with the AABA board on: Strategic planning; Operational planning; Identifying an appropriate business model; Exploring the potential of merging or co-locating with another organization with a like mission to reduce operational overhead while increasing service delivery; and Organizational budgeting.

Thank you! Mat-Su Health Foundation for your generous grant.

American Seafood: 12-24-13

Amount: \$406

Operating Expense to help Alaska Attachment & Bonding Associates support its mission in 2013, and to provide programs to strengthen adoptive and foster families. As the only State-Wide organization, AABA keeps the knowledge of Attachment Disorder available to parents and professional seeking answers to their children's behaviors. Without this knowledge, many parents will place their out-of-control children in Residential Treatment Centers, many out-of-state.

Thank you! American Seafood

AABA was able to meet financial obligations in December.

First National Bank of Alaska: 11-13-13
